

Big. Bigger. Alihankinta

29 SEPT – 1 OCT 2026

Information for stand builders

This message contains important information for stand builders. Please do not unsubscribe from these emails, as they ensure you receive all essential updates and information.

Dear Stand Builder,

Tampere Trade Fairs warmly welcomes you to Alihankinta 2026! We are delighted to have you with us. As a valued part of the event, your contribution plays an important role in its success.

To help ensure a smooth and efficient exhibition week, we kindly ask you to familiarize yourself with the exhibitor guidelines. Please pay special attention to the parking instructions provided below.

We look forward to welcoming you to Tampere!

Parking

IMPORTANT! Trucks and lorries may not be parked in the Exhibition and Sports Centre parking areas during the exhibition.

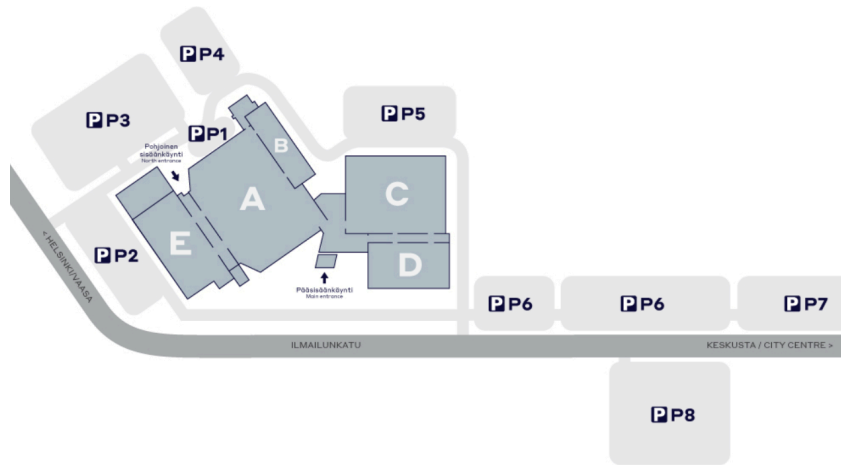

Parking is subject to a fee for all vehicles during the exhibition. During the build-up and dismantling periods, parking is free of charge.

Any trucks or lorries left in the exhibition centre parking areas during the event will be fined, even if a parking permit has been purchased for them. Parking trucks and lorries in the exhibition

centre parking areas for the duration of the exhibition is strictly prohibited.

Trailers occupying a single parking space are permitted, provided that a valid parking permit has been purchased for them.

Please use alternative parking areas for trucks and lorries during the exhibition.

Access Passes

Construction and dismantling access passes (builder passes) can be collected from the Main Lobby's Information Desk.

These passes are valid throughout the entire build-up period and also at the beginning of the dismantling period. Please note that builder passes do not grant access to the exhibition area during the exhibition opening hours.

Construction and dismantling schedule

The construction period begins on Thursday, 24 September and ends on Monday, 28 September. Construction access is available daily from 8:00 AM to 10:00 PM.

On the first day of the exhibition, an additional 2-hour service period is available before the event opens, on 29 September from 7:00 AM to 9:00 AM.

The dismantling period begins on Thursday, 1 October, and ends on 3 October.

For more detailed instructions regarding build-up and dismantling, please follow the links below.
